Camp Bighorn is a non-profit corporation affiliated with the Baptist General Conference. Bighorn is committed to creating environments in which the Word of God is experienced. Beginning in 1985 with a vision to be a unique Christian camp, Bighorn uses God's creation to assist in proclaiming His saving Word and emphasizing His discipleship principles. The quality of the facilities welcomes guests and testifies to excellence.

The program centers on:

- *Discipleship* which promotes process and perspective;
- *Small Groups* which invite identity and intimacy;
- *Changed Environments* which allow adequacy and adventure.

Core Value:

Individual Biblical response and responsibility to God and others.

Vision:

Godly character resulting in participants and staff who become the leadership for serving churches and reaching communities.

Mission:

The mission of Camp Bighorn is to create environments that are conducive to the work of the Holy Spirit, proclaiming the Gospel of Jesus Christ and developing the Kingdom leaders.

Strategy:

In accomplishing the purpose, mission and vision, it is the philosophy of Camp Bighorn to emphasize relationships. Knowing that the Gospel of Jesus Christ speaks to people and not to facilities or programs, three main strengths within the camping program will be used: **Discipleship**, **Small Groups**, and **Changed Environments**. The programs will be designed and staffed in such a way as to emphasize:

- Grace over Law
- Discretion over Rules
- Education over Entertainment
- Involvement over Observation
- Practical over Theoretical
- Process over Product
- Hospitality over Efficiency
- Challenge over Complacency
- Excellence over Adequate

The strategy summed in the Scripture verse of 1 Peter 3:15, "...but sanctify Christ as Lord in your hearts, always being ready to make a defense to everyone who asks you to give an account for the hope that is in you, yet with gentleness and reverence..." It is our understanding that environments with unknown outcomes surface questions in which to share hope. Bighorn will create environments where questions surface and hope is shared.
