PRAIRIE CHANGES LIVES...

"Going to Prairie was the **best decision** I have made so far. The time I spent there is **irreplaceable**. I have met friends to keep in touch for life there and learned many valuable lessons. Keep on rocking, Prairie. 10/10 would recommend." - *Laura, Aviation Grad*

"I would recommend it to anyone, I'm so sold on it..."

"... All of you have changed my life, **enriched my life**. I cried when I heard that the students and staff pray for us on a regular basis... I have friendships now that **I never imagined possible**. All of you have, in some way, helped revitalize my relationship with my children, (all) who have seen a positive change in me... Having God in my life has **opened doors** that I never thought to be possible. I have all of you in my life. God made that happen." - *Prison Encounter Program Student*

"At Prairie you get to meet the God who is much more powerful, more loving than you would have ever imagined..."

"I went for one year and **stayed for three**. Loved the community, loved how seriously the professors took my education and loved the opportunities I took part in, ones I would have had nowhere else. If you're serious about a life in ministry I can't recommend it enough!" - *Sarah, Intercultural Studies Grad*

"It's been incredible, just so much fun..."

"Prairie has been a place of joy for me..."

"If you're looking at expanding your understanding of God and your place in His creation, have gifts you'd like to serve God with, or are just looking at doing something exciting, you can expect that **God will meet you there**. Prairie is being used by God in great ways, and I am truly thankful to be among the alumni." - *Phil, Songwriting & Recording Grad*

"The Explore Program at Prairie has been **transformational** for me, to say the least...Some of the skills/ lessons I've learned at Prairie that I believe will be beneficial for the rest of my life are conflict management, understanding **my performance is not equivalent to my worth** or value, and that failure is not final." - *Molly, Outdoor Leadership Student*

BECOME JOB & LIFE READY

Established in 1922, Prairie College (formerly known as Prairie Bible Institute) is approaching 100 years as an institution. For most of the twentieth century, Prairie was the largest missionary training centre in Canada and the second largest in the continent, sending 20 to 60% of its graduates to foreign mission fields.

Today, our paradigm has changed but the heartbeat of the school remains the same:
To Know Christ, and Make Him Known.

Our team of professors is one of the most denominationally diverse in Christian higher education in Canada. The world and the workplace are changing at a rapid pace.

The mission field is all around us, as much as it is abroad.

Whether you are pursuing a vocation on the airstrip, in a boardroom, behind a pulpit, a computer or a camera we will train you to be market- and life-ready to meet the greatest needs of the world.

We think this vision is as important as it ever has been.

WE ARE WORKING TOWARDS AN AUDACIOUS GOAL-
that in five years **EVERY GRADUATE** of Prairie College
would leave with **TWO JOB OFFERS**.

If you are a Jesus-lover with a growth mindset looking for a rare community, then Prairie College may be the place for you. We hope you will join the next generation of Prairie alumni as we embark on the next 100 years.
